The Black Bear Festival, of which our own Tom Harrison directs, has been distinguished and received awards many times among all the festivals held throughout North Carolina. Even though 2020's event was a virtual event, the 2020 Black Bear Festival received the following awards from the North Carolina Association of Festivals and Events! It received the award for Best Event. The award for Best T-Shirt and the award for Director of the Year! Let us praise God for His work in Tom in such a public role, for the Festival Committee and for the positive light this event and these awards cast on our county and town. All Glory to God!
