## THANK YOU NOTE

First Baptist Church Family:

It was Forty-Two years ago on November 25<sup>th</sup> that we said our marriage vows right here in this church in front of friends and family. The church family has been an important part in the raising of our three girls and now most importantly praying for the healing of Bill. I use the word healing because we truly believe that if it wasn't for all the prayers Bill would not be with us today. God heard every prayer lifted in Bill's name and for that we are thankful and blessed. Words cannot be said or written down that can adequately express our feeling of thankfulness. We would like to say thank you for all the cards that were sent, for all the meals that had been prepared and thank you for all the other acts of love and kindness shown to our family during this difficult journey. As we thank our lord for allowing us to celebrate forty-two years of marriage and thank him for a church family of believers, we ask for continued prayers for healing and strength as Bill continues to recover. Thank you again and we love all of you.

Mark 11:24

"Therefore, I tell, whatever you ask in prayer, believe that you have received it, and it will be yours."

We Believe,  
Bill and Renee Sexton
