Created to Worship...in Holiness part 2

Pastor Paul

Throughout the historical record of the Bible, we read of God calling His people to come out from the world to worship Him. To be holy or set apart unto Him to serve Him. From Abraham, Isaac, Jacob and Joseph. From Moses to the Hebrew slaves in Egypt with whom God would make a nation, to you and I today, His people have been and are called to worship God in Holiness.

Abraham:

Moses and the Israelites:

Jeremiah and the Prophets

The Psalmists:

Daniel, Shadrach, Meshach and Abednego:

Troubling is the reality that so many in our world lack self-control. Enslaved by their feelings and subject to the impulses of the body. There is nothing wrong with emotions, in and of themselves. God gave them to us for our benefit. However, they can be destructive unless controlled. Self-control is the ability to manage one's impulses, emotions, and behaviors. Self-control is essential to order a civilization, business, church, or family. Self-control is one of the things that separates us from the rest of the animal kingdom!

Through self-control we can arrest short term gratification for our long-term benefit: physically, spiritually, and emotionally. Self-control is necessary for families to stay together. To raise healthy children, work hard, and serve others. Self-control enables us to deny ourselves and overcome selfishness and instant gratification. It also enables us to overcome addictive behavior. We all know the problem our society has with addiction! Wonderfully, Self-control is available through God's grace and the power of the Holy Spirit. Hear this instruction from God's word: *"For the grace of God has appeared that offers salvation to all people. ¹² It teaches us to say "No" to ungodliness and worldly passions, and to live self-controlled, upright, and godly lives in this present age..." Titus 2:11-12*
