Offertory Scripture & Prayer

I appeal to you, brothers, and sisters, in the name of our LORD Jesus Christ, that all of you agree with one another in what you say and that there be no divisions among you, but that you may be perfectly united in mind and thought.

Sermon: [Angels Watching Over Us](#)

Pastor Paul Harrington

Throughout the Bible we read of Angelic activity on earth and in the heavenlies. This activity is presented seamlessly throughout the narrative revealing that the spiritual is as real as the material, and both are present.

An account in the life of Elisha is one such occasion. When the angelic armies of heaven delivered him and his servant from the Aramean army. [2 Kings 16](#).

Today my prayer is that we will all be more consciously aware that God's holy angels are present in our lives and that we would be strengthen and comforted by that Knowledge. [Hebrews 13:2](#)

Angels were created before the creation of the world. [Job 3:4-7](#)

All angels were created to serve God, they were to be Holy unto the LORD, however in the past, before humans entered the scene, Satan rebelled against the LORD and took 1/3 of the angels with Him. These turned into demons.

As powerful as they are, we are not to worship angels. [Rev. 22:8-9; Ex. 20:3,4](#)

The angels have a hierarchy according to the Bible, When the Bible in the OT speaks of the Angel of the LORD, is reference to what is called a Christophany: an appearance of the Christ in his preincarnate form. There are archangels, cherubim, seraphim, Living creatures, ruling angels, and Guardian Angels. Matt. 18:10-14

Though it is a subject for debate among Biblical scholars, I am of the opinion that all believers do have a guardian angel.

All power in the material world and the spiritual world comes from one source- God, and He is greater than all, and is living within each believer. [1 John 4:4](#)

Angels carry out various roles under God’s authority, but we read that they are to serve the LORD by ministering to us! **Hebrews 1:14**

An account in the life of Paul is quite revealing- as he was on a ship travelling, it came into great peril- yet an angel came and comforted Paul and gave him a message to share with all. A message very similar to the message from other angels throughout time. **Don't be Afraid! Acts 27:23-25**

I would encourage you to read the wonderful passages that affirm the protection of the angels of God. **Psalm 91, Psalm 34 and others!**

God’s servants- his messengers minister to us throughout our lives and even carry us to heaven we the LORD calls us to himself. **Luke 16:22**
