Hello Church Family!

I hope that everyone had a wonderful time with family and friends this 2022 Thanksgiving. I believe that my families thanksgiving this year was my favorite as of recently, simply because it was the first time in some while the whole family was together. It also was me and India's first Thanksgiving as a married couple, so praise the Lord for that also!

As we approach the end of this year, I am thinking about what 2023 might have in store for our Youth & Children's Program. Of course, we already have our Youth Sunday school class and our Youth Bible Study on Wednesday night, but I am looking to expand upon these events next year. I am also dedicating time to finding families nearby with youth. So, if someone comes to mind feel free to invite them or to let me know. I would be more than happy to invite them to join us on either Sunday morning or Wednesday night.

We currently planning a Sunday school/Youth meeting for January 17th 2023. So, for those that want to be involved/informed about our Youth program that would be a great event to put on the calendar.

I ask that you be praying that:

Next year God would move in the lives of our young people in a way that only He can.

We at PFBC would move according to the Lord's will regarding Youth and Children.

Youth that already know and love Jesus would involve themselves with likeminded believers next year. -Loyd

PLYMOUTH FIRST BAPTIST CHURCH

December 2022

A note from Pastor Paul.

Dear Brothers and Sisters in Christ,

I pray you enjoyed your Thanksgiving Holiday. Whether you were with a large noisy group, or a in small intimate gathering, or even alone, my hope is that thankfulness reigned from within and without. We serve an immeasurably good God and He deserves our thanks.

It is right that our Christmas Celebrations should come immediately after Thanksgiving. For the greatest reason for thanks in a Christians' life is Jesus– Born to set us free from sin and death. Born that we might enjoy eternal life. Born that He might die for our sins, and ultimately rise from the dead, ascend to the Father and one day return.

We can fully celebrate Christmas because we know what came after– and to a reassuring degree what is to come. Jesus came to earth once– humble and lowly, He will return to rule and reign.

This advent season I am delivering a series of messages titled, “We Are A People”. Each Sunday in Advent and I prayerfully will share how **We Are A People of Hope, Joy, Peace and Love**. We are these as declared by God in His Word– Let us live them out by his grace. Our world is desperately in need of the message we can offer.

Remember what the LORD spoke through Simeon the prophet when he took the infant Jesus in his arms,

*“Sovereign Lord, as you have promised, you may now dismiss your servant in peace.
For my eyes have seen your salvation, which you have prepared in the sight of all nations:
a light for revelation to the Gentiles, and the glory of your people Israel.” Luke 2:29-32*

As you look over this newsletter informing you of all the goings-on at First Baptist in December and January, remember that the most important thing we are to do is to bring Jesus to our community. Let them through us experience the hope, joy, peace, faith and love that we ourselves have received. Let us celebrate the Savior! Jesus is Born, and He is coming again!

Merry Christmas,

Pastor Paul
