 Ministry in...  **April**

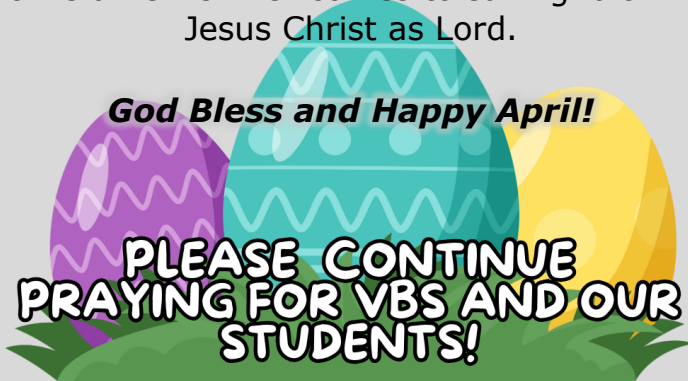

***Hello Church Family***

What better way to begin the Month of April than focusing our attention on the climax of human history; Christ death, burial and certainly His resurrection. He has Risen indeed! Last month our children learned that Jesus really is *God with us* (Immanuel), and that Jesus made His followers *Fishers of Men*! They even studied about the word Hosanna, which is to plead: *Lord, Please save us!*

Remember that one of the greatest miracles of God continues to this day- Every time a new sinner comes to saving faith in Jesus Christ as Lord.

***God Bless and Happy April!***

Dear FBC Family,

I wanted to give a huge thank you to the Gail Hardison Circle along with other church members, family and friends for my amazing wedding shower! It was truly perfect! I also wanted to thank the members of the church for the continuous love, support, and prayers we have received! Thank you all for all you have done for us! Please continue to keep William and I in your prayers.

With Much Love, Claire Dail

# PLYMOUTH FIRST BAPTIST CHURCH

**APRIL 2024**

To the members and friends of First Baptist,

Grace and peace to you! I pray this newsletter finds you well. This time of year is special for many reasons. One of those reasons, if you are basketball fan, is the NCAA Basketball tournaments. Whether you follow women's basketball, men's or both— it is an exciting time of year as we see what are in many cases world-class athletes compete at a high level. As I write this letter, NC State, UNC and Duke are all three still in the hunt for a national championship in the men's tournament. N.C. State and Duke women continue to compete for the Women's title. It will be interesting to see what happens in the next week. On the way home I often see baseball and softball practices where young people are honing their skills in order to be successful on the playing field. Discipline, denial of self, sacrifice and choosing wisely is absolutely essential to be a success in anything that is worthwhile. As our bodies are able, we are to do what we can to stay fit and active— doing the best with what we have. As our minds have ability, we are to train them— discipline them to continue to learn new things all through life. Our spirits are in need of training as well to develop the habits necessary to become spiritually mature. In fact, all three parts of our being are connected, and either help or hinder one another. Now again, as we age, our capacities physically and even mentally change— and even our best efforts cannot stop the aging process. In contrast however— the spirit— that which connects us with God can get stronger and healthier throughout our lives. And we need to continue to train ourselves spiritually that we might be more like Jesus every day. The Bible says in 1 Timothy 4:8-10 “...physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come.”<sup>9</sup> This is a trustworthy saying that deserves full acceptance.<sup>10</sup> That is why we labor and strive, because we have put our hope in the living God, who is the Savior of all people, and especially of those who believe.” So let us be on a regular training schedule for the spirit. Read God's Word, Pray, Serve and stay connected to fellow believers! Happy April!
