We will be continuing our study on the Book of Galatians for Wednesday nights, but first, come out to church supper and Bible Study on Wednesday January 15th and Wednesday January 22nd for a two-part documentary on the life of Martin Luther. Martin was a 16th century Roman Catholic monk and theologian who, in the face of tremendous persecution, was God's instrument to bring about the Protestant Reformation. The book of Galatians was truly loved by Martin Luther and this documentary, hosted by Liam Neeson will broaden your understanding of the history of the church and bring a renewed appreciation for the salvations and freedom we have in Christ. Each video will last about 45 minutes. Don't miss it!
