Thanksgiving Offering

There is a MISSION FIELD all around us!

Did you know 70% of Baptist Children's Homes residents are un-churched

When our church participates in the Annual Offering, hope is shared, miracles

Hello Church Family,

I hope that I am serving you well as your associate pastor, while also trying to juggle the responsibilities of a Youth and Children's program director. I hope also that you are aware of how fond I am of you. I truly do **thank my God every time I remember you. (Philippians 1:3)** My hope for us as a church is to use this time to grow and produce pleasing fruit for our Lord.

I ask that you pray for the seeds that will be planted on the 31st of October with our Student outreach event. Also be aware that we are in dire need of help in our Sunday school classes for our students. At this time we need someone to cover our **3rd-4th grade Sunday school class, on a monthly rotation.** November is already covered, but we need someone to help pick up the rotation by December. **We also need help to maintain our Children's Church.** We go by the two-person rule to ensure safety, and so we need ladies who are willing to assist with children's church. We already have a form of rotation started for children's church, but our current volunteers are being stretched thin, often missing the opportunity to sit under the teaching and preaching on Sunday. I am also looking at alternative ways to consider our students on Sunday for the times when we might be short on volunteers.

**In service of the King,
- Pastor Loyd**
